*En bonne compagnie*

Group exhibition

From July 11 until August 22, 2020

Bradley Ertaskiran is thrilled to present, *En bonne compagnie* a unique group exhibition that focuses on cooperation and community. After a period of isolation and ongoing distance, the gallery is pleased to host an exhibition that was developed around invitations that will offer a sense of closeness that has been missing over these past few months.

For *En bonne compagnie*, Bradley Ertaskiran has stepped out of its normal programming and invited a broad range of artists to exhibit and in turn extend an invitation to another artist whose work speaks to them. We have the pleasure of presenting the work of 26 artists, who are either currently based in and around Montreal, or have an ongoing relationship with the city. All artists and representative galleries have graciously collaborated in allowing us to uphold a cooperative revenue sharing model in which a percentage from each sale made will directly benefit all participating artists.

This exhibition features works by:

Vikky Alexander - Jacques Bellavance  
Mathieu Beauséjour - Kyle Alden Martens  
BGL - Wolfe Girardin Jodoin  
Pierre Dorion - Claude Tousignant  
Jérôme Havre - kimura byol-nathalie lemoine
