Erich Gruber

Panzergast

Exhibition runs: February 16 – April 1, 2018

16 April 2018, 8 pm

Opening of the exhibition

Salzburg-based artist Erich Gruber presents a series of wickedly-detailed, black and white drawings based on the fragments of dead insects that he finds, often in his studio. These lifeless remains are depicted by Gruber almost as in a play of attraction and repulsion, while their objectivity simultaneously renders any pathos into a quirky obscurity.

Erich Gruber, born 1971 in Schwarzach, lives and works in Salzburg.
